THE PRODUCT

WHAT THE SMART COVER DOES

1 **FITS OVER A MATTRESS**

The cover fits over any standard mattress.

2 **TRACKS THE BODY**

Built-in sensors track heart rate, breathing and sleep patterns.

3 **ADJUSTS TEMPERATURE**

It cools or warms the body through the night, with dual-zone control for each partner.

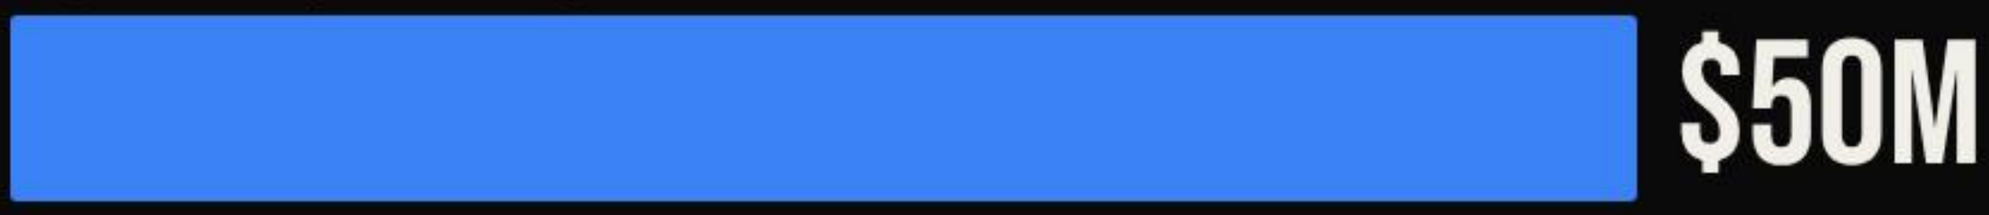

4 **STARTS PRE-PROGRAMMED**

An at-home Sleep Optimization Test sets the device before it arrives.
