A LONG LINE OF DOLAN SPINOFFS

1994

Cablevision acquires 50% of the Knicks, Rangers and related businesses

2010

Madison Square Garden spun off from Cablevision

2015

James Dolan splits MSG in two: teams and venues, and MSG Network

2020

Teams and venues split into MSGS and Madison Square Garden Entertainment

2023

MSGN renamed Sphere Entertainment

2026

Rangers spun off from the Knicks

WHAT THE SPLIT CHANGES, PER SPORTICO

1 BUY ONE TEAM

Investors can buy shares in the individual teams under the MSGK and MSGR tickers.

2 SEPARATE NUMBERS

MSGS always pooled the two teams' financials. The spinoff gives insight into each team's money.

3 A TAX CAP FROM 2027

Publicly traded teams' tax deduction is capped at $1 million for their five highest-paid players.

4 ESTIMATED TAX BILLS

In April, Joyce estimated the Knicks' tax bill at $55 million and the Rangers' at $20 million.

“

[The split] would conceivably make it easier for one team or the other to be sold, or for a third-party minority investment to put a fresh valuation marker on one or both teams.
