WHAT IT CHANGES

WHAT THE NEW SHARES CHANGE

1 DILUTION BY DESIGN

Levy was offered the chance to buy his proportionate share and missed the cutoff, so his ENIC stake was diluted from around 29%.

2 THE SPLIT INSIDE ENIC

A Lewis family trust ultimately owns 75% of ENIC; trusts linked to the Levy family own 25%.

3 THE EIGHT SPORTS CLAIM

Eight Sports Capital said Levy signed a sale agreement; ENIC said it was not aware of any sale.

4 CASH FOR THE CLUB

The latest £120million was for working capital, as the family resists interest in selling the club.

“

We are not selling the club. We are all in. We are investing in it.
