INVESTMENT 04/10

SCALE, PER THE COMPANY

35K+

athletes served since the 2023 launch

300+

universities in the college mentor network

100K+

mentorship sessions expected this year

100%+

annual growth since launch, per the company

Company-reported figures.

NOV 14, 2026

WHAT PARENTS REPORT

90%+

of parents report their child is noticeably more confident after the program

Company-reported figure.

HOW THE PROGRAM WORKS

1 THE MATCH

A youth athlete is paired with a current college athlete in the same sport.

2 THE PROGRAM

12- or 24-week programs of one-on-one virtual mentorship, built around the school year and the athletic season.

3 THE MENTOR

Mentors are paid, an NIL income path for college athletes without endorsement deals.
