THE TECH

WHAT LAVA DOES FOR A TEAM

1 RECOGNIZE

Teams and venues recognize customers and deliver personalized benefits in real time.

2 CONNECT

More than 300 adapters span point-of-sale, identity, loyalty, ticketing and payments, so teams connect existing systems instead of replacing them.

3 COMBINE

Bilt plans to combine its AI agents with LAVA's real-time engagement technology.

“

LAVA joining Bilt will help our partners turn sports fandom into a neighborhood economy that works for fans, teams, and local businesses every day.
